IF THERE WAS A VEHICLE INVOLVED, DESCRIBE THE VEHICLE IN DETAIL (MAKE, YEAR, COLOR, ETC.): I had no watch, or exact concept of time, but I was declaring a medical emergency concerning my back. I called 2 C.O.'s for help in notifying the nurse staff and they both ignored me. Then I addressed Lt. Griffin, and, he too heard me, but told me my back is not an emergency. I had been there from 8:50 until around 12-1am in excruciating pain. I also addressed the nurses who dismissed me and the lady doing paperwork with glasses and the slender guy (slightly balding) - both wore blue shirts. None would listen.

C.O. Parker made me go back in cell 6 as I begged them not to let me ROY and to let me answer the questions. He continued to make snide comments about how bad I was acting, behaving, speaking, etc. I was crying hysterically for nearly 5 hours or more, that night, in a state of panic, distress, mental agony as I was being psychologically tortured. Due to all the upset and emotional agony I don't have exact times. Also, no one would acknowledge me to ask for the time. At one point I asked C.O. Gattis for a pen and paper to write their names down and he said to memorize it. So time was a guessing game.

IF THERE WAS A VEHICLE INVOLVED, DESCRIBE THE VEHICLE IN DETAIL (MAKE, YEAR, COLOR, ETC.): This was done between the time of me being returned to my cell from the nurse and Michelle Moore being placed into H. Cell 6 with me. I commented that he'd have to pay someone to ride his moustache and that the guy with the blue shirt looked like Gomer Pyle. I was left "to Rot" for hours, and finally snapped, telling them, the Lt. and Parker, that that was inappropriate conduct, sexual misconduct/harassment, and that they would be held accountable for these actions and decisions.
